

**In memory of Shaune**  
**23/5/05 ~ 25/5/05**

This poem is dedicated to Shaune by his Mum & Dad.

We can't tell you how we're feeling  
The words are so hard to find  
thinking of all that could have been  
But "we'll never" comes to mind.

We'll never feel your hugs  
We'll never dry your tears  
We'll never hear your laugh  
Or watch you through the years.

We'll never brush your hair  
We'll never touch your face  
We'll never hold you tight  
When things don't go your way.

We'll never hold your hand  
We'll never watch you sleep  
We'll never have your pictures  
Forever ours to keep.

We'll never never hear you cry  
We'll never never watch you play  
We'll never kiss your hurts  
And make them go away.

We'll never see you smile  
We'll never have a choice  
We'll never hear "I love you"  
In our child's little voice.

We'll never know your smell  
We'll never feel your love  
We'll never stop hurting  
When you're all we think of.

You were taken away so suddenly  
Although pain is nothing new  
We'll always have endless "we'll never's"  
When it comes to you.
